MISSION STATEMENT

The mission of Dillard University Student Health Services is to provide basic medical care, while promoting and enhancing students' health and wellbeing. DUSHS is committed to providing quality, comprehensive, confidential, accessible, and cost-effective health care, health education, and health promotion services that are specifically designed for the unique needs of Minority College students. We also strive to promote healthy behaviors and lifestyle choices through educational programming on campus. SHS serves to assist students in the pursuit of their academic goals and personal development consistent with the mission of the College.

DUSHS Values

Student centered – We are committed to recognizing, addressing, and accepting the full spectrum of individual and collective life experiences and health needs present in our community.

Responsible – We are conscientious stewards of money, time, patient information, and human and physical resources.

Excellence – We use evidence-based practices, regularly engage in quality improvement activities, and are committed to continuing education for all staff.

Integrity – We consistently live out our stated values.

Creativity – We encourage innovation, have a participatory environment and collaborate at all levels.
