

DU Celebrates National Women's History Month By Recognizing Our Own Historical Icons

Dr. Sheila Tlou, '77: Former Botswana Minister of Health and current UNAIDS Regional Director for Eastern and Western Africa.

Professor Sheila Tlou is a Botswanan specialist in HIV/AIDS and women's health and a nursing educator. She is noted for her role in radically eliminating the stigma of HIV/AIDS as Minister of Health between 2004 and 2008. In her current role as regional UNAIDS director, she supervises 21 countries.
