

[Click Here to Give to Dillard University](#)

Since Hurricane Katrina, alumni and friends have quietly contributed more than \$56 million toward our \$70 million campaign goal. These funds, along with the dollars still to be raised, will help Dillard continue on its path to being one of our nation's first-rate private universities.

Private gifts are essential to our ability to grow and prosper. While private dollars do not replace other revenue, they are what make a good university an excellent university. Alumni, parents, faculty and staff, foundations, corporate partners and other friends are demonstrating their confidence in Dillard by supporting Advantage Dillard! Please join them. Your investment will allow the university to strengthen the educational experience for generations of Dillard students to come.

Thank you,
